Philip J. Amodio ~ Owner & Chef

Born and raised in East Utica, Philip's earliest childhood memories are about food and waking up every day to the wonderful aroma of his mother's cooking and watching her every move in the kitchen was enough inspiration to give him the passion and love to cook. These childhood memories have turned Philip into a culinary masterpiece which has turned his restaurant into one of Central New York's Local Hot spots.

Involved in every aspect of his restaurant from concept and menu to

design, staff selection and finishing touches, Phil and his chef Todd Cannistra have worked together for over 26 years.

Phil is constantly creating fresh ideas which consist of contemporary to Italian, American to Gourmet dishes that would make any palette salivate. Phil has earned a solid reputation for his skill and commitment to presenting flavorful, consistent dishes as well as putting his customers first who in turn are like family.

Known around Central New York, Philip's achievements in providing fine quality food have him receiving Mohawk Valley Readers' Choice Awards for #1 Best Lunch Spot, Award Winner for Fish Fry, and Award Winner for Dinner three years in a row. Pumpernickel's was spotlighted in NewYorkUpstate.Com's "9 Unforgettable Upstate NY Sandwiches." Pumpernickel's wasn't mentioned for having just one "Unforgettable" sandwich though; the author alluded to the fact that ALL of the deli sandwiches at Pumpernickel's are "Unforgettable." ...One of our favorites is the 42nd Street Reuben...turkey, corned beef, or pastrami covered in Swiss cheese, sauerkraut, Russian dressing and served on grilled rye bread. Is it good? *Fuhgettaboutit.* It is great!"

"A special Thank You to all of our neighbors and friends who travel many miles every week to visit Pumpernickel's. Thank You for your continued support and dedication as we celebrate our 29th year. Stay tuned for many new and exciting things coming in the near future." ~ Philip J. Amodio

Todd Cannistra ~ Chef

With a total of over 30 years in the Culinary Industry and with 28 years of them with Pumpernickel's, Todd is the backbone of our kitchen. Involved in every aspect of every dish, timing and consistency are an essential part of the job and Todd is as steady as they come. We're lucky to have such a devoted, talented, and dependable Chef!

Almir Sabljakovic ~ Chef

Hard working and dedicated with many years as a line cook, Almir's culinary stylings are the perfect compliment to the consistent quality that you have come to expect from the Pumpernickel's brand. We are happy to have Almir as part of our team!
